4. CAI had requested that such a release order be issued to facilitate its ability to arrange pick-up of its containers.

5. I have also been in communication with CAI representatives in Pakistan for containers' pick up in Karachi and in Colombo for containers' pickup in all other countries, and have confirmed Megafeeder's willingness to submit a similar release order to any other depot at which CAI believes its containers may be positioned, but based upon my knowledge of the whereabouts of the equipment, all the depots at which the equipment was located have been so notified.

6. As of the date of the execution of this Declaration, approximately 82 % of the containers have now been retrieved by CAI, and a list of the containers that have already been picked-up as of the date of this Declaration is annexed hereto as Exhibit 2.

7. All of the remaining containers are available for pickup (or alternative employment) by CAI.

8. I am not aware of any CAI containers that have been lost or damaged from the group of containers of CAI, and based upon my review of the records of the depots at which the containers were located, all of those containers have now either been picked up or are awaiting pick-up by CAI at the depots to which the release authorizations mentioned above have been issued, except for 1 container in Colombo and 2 containers in Kuwait, which have been damaged. CAI is aware of these damaged containers.

9. I declare under penalty of perjury under the laws of the United States of America and pursuant to 28 U.S.C. §1746 that the foregoing is true and correct.
